Quarterly review

The committee reviewed the budget proposal and approved the revised schedule. Several members asked about hiring plans, travel costs and the new office lease. Final figures will be published after the accountants have signed the statements.

Second paragraph begins here and continues with ordinary sentences about the project timeline, the risks that were raised, and the people who own each task.

Appendix

Left column starts with a short line and goes on for a few more lines so that the reading order can be checked against the layout.

Right column holds different words about invoices, receipts and totals which must stay apart from the text that sits on the left side.
